COUNSEL FOR THE DEBTOR

**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE NORTHERN DISTRICT OF TEXAS
DALLAS DIVISION**

IN RE:	§	CHAPTER 7
	§	
WITH PURPOSE, INC.,	§	CASE NO. 23-30246-7
	§	
Debtor. ¹	§	
	§	

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODS, AND DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULE
OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

The above-captioned debtor (the “**Debtor**”), by and through its undersigned counsel, is filing its Schedule of Assets and Liabilities (the “**Schedules**”) and Statement of Financial Affairs (the “**SOFA**”) in the United States Bankruptcy Court for the Northern District of Texas, Dallas Division (the “**Bankruptcy Court**”). The Debtor prepared the Schedules and SOFA in accordance with § 521 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

These Global Notes and Statement of Limitations, Methods, and Disclaimers Regarding the Debtor’s Schedules of Assets and Liabilities and Statements of Financial Affairs (collectively, the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of the Schedules and SOFA. These Global Notes should be referred to and reviewed in connection with any review of the Schedules and SOFA.

¹ The Debtor’s address is 11700 Preston Road, Suite 660-394, Dallas, TX 75230.

The Schedules and SOFA have been prepared by the Debtor's management and are unaudited and subject to further review and potential revision. In preparing the Schedules and SOFA, the Debtor relied on financial data derived from its books and records as it was available at the time of preparation. The Debtor's management and advisors have made reasonable efforts to ensure that they are as accurate and complete as possible under the circumstances. However, subsequent information or discovery may result in material changes to the Schedules and SOFA, and inadvertent errors or omissions may exist. Notwithstanding any such discovery or new information however, the Debtor may, but shall not be required to, update the Schedules and SOFA.

Reservation of Rights. Nothing contained in the Schedules and SOFA or these Global Notes shall constitute a waiver of any of the Debtor's rights or an admission with respect to its bankruptcy case, including, but not limited to, any issues involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or recharacterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code, or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.

Description of the Case and "as of" Information Date. On February 8, 2023 (the "**Petition Date**"), the Debtor filed a petition for relief with the Bankruptcy Court under chapter 7 of the Bankruptcy Code.

Given the nature of the case and the Debtor's assets, the valuations given are estimates at varying points in time. This is because those values fluctuate in time and given the fractured nature of the Debtor's allegedly foreclosed upon assets and lack of access to its own books, records, and intellectual property, the Debtor is presenting these filings in its best attempt to "mark to market" the types of assets its owns in each category of assets and liabilities.

Amendment. Although reasonable efforts were made to file complete and accurate Schedules and SOFA, inadvertent errors or omissions may exist. Thus, the Debtor reserves all rights, but shall not be required to, to amend or supplement its Schedules and SOFA from time to time as may be necessary or appropriate.

Basis of Presentation. Although these Schedules and SOFA may, at times, incorporate information prepared in accordance with generally accepted accounting principles ("**GAAP**"), the Schedules and SOFA do not purport to represent or reconcile financial statements otherwise prepared or distributed by the Debtor in accordance with GAAP, income tax basis, or otherwise. To the extent that the Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent or insolvent on the Petition Date or at any time prior to the Petition Date. Likewise, to the extent that the Debtor shows more liabilities than assets, this is not an admission that the Debtor was solvent or insolvent on the Petition Date or at any time prior to the Petition Date.

Insiders. For purposes of the Schedules and SOFA, the term "insiders" shall have the meaning set forth in Bankruptcy Code § 101(31).

Persons listed in the SOFA as insiders have been included for informational purposes only. The Debtor does not take any position with respect to (a) such person's influence over the control of

the Debtor; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an insider under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Recharacterization. The Debtor has made reasonable efforts to characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and SOFA correctly. The Debtor reserves all rights to recharacterize, reclassify, recategorize, and redesignate items reported in the Schedules and SOFA at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts listed herein were executory as of the Petition Date or remain executory post-petition and whether leases listed herein were unexpired as of the Petition Date or remain unexpired post-petition.

Subpoenas. Upon the Debtor filing its voluntary petition for relief under Chapter 7 of the Bankruptcy Code, on February 13, 2023, the Bankruptcy Court issued its *Order Granting Debtor's Motion to File Amended Schedules of Assets and Liabilities, Statement of Financial Affairs, and Other Documents* (the "**Order**") [Bankr. ECF No. 23]. As contained in the Order, the Bankruptcy Court endowed the Debtor with the power to issue subpoenas. Since the entry of the Order, the Debtor has, or will have, issued a subpoena *duces tecum* to the following:

- a. Origin Bank;
- b. The former members of the board of directors (the "**Board**") for With Purpose, Inc., d/b/a/ GloriFif, Inc. ("**WPI**"); and
- c. Certain other persons or entities that the Debtor believes has or has had relevant information regarding the Debtor's Schedules and SOFA.

Summary of Significant Reporting Policies.

Current Market Value and Net Book Value. In many instances, current market valuations are neither maintained by nor readily ascertainable by the Debtor. The Debtor has used its best efforts to estimate the assets value or provided that the value is unknown.

Liabilities. Unless otherwise indicated, all liabilities are listed as of the Petition Date.

Credits and Adjustments. The claims of individual creditors are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtor. The Debtor reserves all rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

Undetermined Amounts. The description of an amount as "unknown," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.

Totals. All totals that are included in the Schedules and SOFA's represent totals of all currently known amounts included in the Debtor's books and records as of the Petition Date. To the extent that there are undetermined amounts, the actual total may be different from the listed total.

Classifications. Listing a claim (a) on Schedule D as "secured," (b) on Schedule E as "priority," or (c) on Schedule F as "unsecured priority," or listing a contract or lease on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtor of the legal rights of the claimant or a waiver of the Debtor's right to recharacterize or reclassify such claim, contract, or lease.

Claims Description. Any failure to designate a claim on a given Debtor's Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtor reserves all rights to dispute, or to assert any offsets or defenses to, any claim reflected on its respective Schedules on any grounds, including, without limitation, amount, liability, validity, priority, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtor, and the Debtor reserves the right, but shall not be required, to amend the Schedules accordingly.

Guarantees and Other Secondary Liability Claims. The Debtor has used reasonable efforts to locate and identify guarantees and other secondary liability claims (collectively, the "**Guarantees**") in its executory contracts, unexpired leases, secured financing, debt instruments, and other such agreements. The Debtor's review of its contracts in such regard is ongoing. Where such Guarantees have been identified, they have been included in the relevant Schedule for the Debtor. Further, certain Guarantees embedded in the Debtor's executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. Thus, the Debtor reserves its right to amend the Schedules to the extent that additional Guarantees are identified. In addition, the Debtor reserves the right, but shall not be required, to amend the Schedules and SOFA to recharacterize or reclassify any such contract, lease, claim, or Guarantee.

Causes of Action. The Debtor, despite its best efforts, may not have listed all of its causes of action (filed or potential) against third parties as assets in the Schedules and SOFA. The Debtor reserves all of its rights with respect to any causes of action they may have, and neither these Global Notes nor the Schedules and SOFA shall be deemed a waiver of any such causes of action.

Schedule A – Real Property. The Debtor's failure to list any rights in real property on Schedule A should not be construed as a waiver of any such rights that may exist, whether known or unknown at this time.

Schedule B – Personal Property. Personal property owned by the Debtor is listed in the Schedule B. To the extent that the Debtor has not been able to identify the actual physical location of certain personal property, the Debtor has reported the address of the Debtor's principal place of business.

Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by its terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

Schedule D – Creditors Holding Secured Claims. All parties in interest and the Chapter 7 Trustee have whatever rights they may have under the Bankruptcy Code and hereby reserve the right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of the Debtor. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtor’s assets in which such all creditors may have a lien has been undertaken.

Moreover, as indicated above, parties in interest and the Chapter 7 Trustee, presumably each reserve all rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor’s claim. The descriptions in Schedule D are intended to be only a summary. Reference to the applicable agreements and related documents and a determination of the creditors’ compliance with applicable law is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and SOFA shall be deemed a modification or interpretation of the terms of such agreements or related documents.

Schedule E – Creditors Holding Unsecured Priority Claims. Listing a claim on Schedule E as “unsecured priority” does not constitute the Debtor taking a position on the legal rights of the claimant. The Debtor hereby expressly reserves the right for all parties to assert that any claim listed on Schedule E, does not constitute an unsecured priority claim under § 507 of the Bankruptcy Code thereby constituting an unsecured nonpriority claim.

The claims listed on Schedule E arose, or were incurred on, various dates and a determination of each date upon which each claim arose, or was incurred, would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule E, however, appear to have arisen, or to have been incurred, on or before the Petition Date.

Schedule F – Creditors Holding Unsecured Nonpriority Claims. Listing a claim on Schedule F as “unsecured nonpriority” does not constitute an admission by the Debtor of any legal rights of the claimant. The Debtor hereby expressly reserves the right for all parties to assert that any claim listed on Schedule F does not constitute an unsecured nonpriority claim (including the right to assert that any such claim constitutes a secured or priority claim). Additionally, noting that a claim on Schedule F is “subject to setoff” does not constitute an admission by the Debtor of the legal rights of the claimant. The Debtor hereby expressly reserves the right for all parties to assert that any claim listed on Schedule F is not subject to setoff or dispute any claim to such setoff.

Certain creditors may assert mechanic’s, materialman’s, or other statutory liens against the Debtor for amounts listed on Schedule F. The Debtor reserves its right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule F.

The claims listed on Schedule F arose, or were incurred, on various dates, and a determination of each date upon which each claim arose, or was incurred, would be unduly burdensome and cost

prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule F, however, appear to have arisen, or to have been incurred, prior to the Petition Date.

Schedule G – Executory Contracts and Unexpired Leases. Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, the Debtor’s review is ongoing, and inadvertent errors, omissions, or over- inclusion may have occurred.

The Debtor reserves all of the Chapter 7 Trustee’s and other parties in interest’s rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. Generally, executory agreements that are oral in nature have not been included in the Schedule. Further, the Debtor may be a party to various other agreements concerning real property, such as supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps, and other miscellaneous agreements. Such agreements, if any, are not set forth in Schedule G.

Schedule H – Co-Obligors. Although the Debtor has made every effort to ensure the accuracy of Schedule H, inadvertent errors, omissions, or inclusions may have occurred. The Debtor hereby reserves all rights for all parties to dispute the validity, status, and enforceability of any obligations set forth on Schedule H and to further amend or supplement such Schedule as necessary.

The Debtor further reserves all rights, claims, and causes of action for all parties with respect to the obligations listed on Schedule H, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor’s claim. The listing of a contract, guarantee, or other obligation on Schedule H shall not be deemed an admission that such obligation is binding, valid, or enforceable.

SOFA – Transfers Outside of the Ordinary Course of Business. Nothing in the Debtor’s response to Question 10 constitutes an admission by the Debtor that such transfers were outside of the ordinary course of the Debtor’s business.

ADDENDUM TO DEBTOR’S SCHEDULES OF ASSETS AND LIABILITIES

In addition to the limitations, disclaimers, and conditions identified in the *Global Notes and Statement of Limitations, Methods, and Disclaimers Regarding the Debtor’s Schedule of Assets and Liabilities and Statement of Financial Affairs* (the “**Global Notes**”), filed with these Schedules of Assets and Liabilities (the “**Schedules**”), the Debtor identifies the following specific additional disclosures, limitations, disclaimers, and conditions regarding the Debtor’s responses to certain questions in the Schedules identified below.

Form 206A/B: Assets—Real and Personal Property

Part 1—Does the Debtor Have Cash or Cash Equivalents

Question 3—Checking, Savings, Money Market, or Financial Brokage Accounts

The cash held in the Debtor’s bank accounts is an estimate based on funds held on or about the Petition Date. However, the Debtor does not have access to its account at Origin Bank and is therefore unable to determine what funds, if any, remain in this account as of the Petition Date. If and when the Debtor obtains this information, it will amend and/or supplement this response.

Since the Debtor filed its voluntary petition for relief under Chapter 7, the Debtor has issued a subpoena to Origin Bank for information related to and necessary for a complete and accurate depiction of the Debtor’s finances.

Part 5—Inventory, Excluding Agriculture Assets

Question 22—Other Inventory or Supplies

Upon a detailed review of the information available to the Debtor as of the Petition Date, the Debtor is unaware of other inventory and materials that the Debtor has an interest with the exception of certain marketing materials identified in this response. Upon information and belief, the Debtor suspects that assets related to various credit cards may be in existence, but, as of the Petition Date, the Debtor lacks sufficient information to confirm whether such assets exist and where they are located. If and when the Debtor obtains this information, it will amend and/or supplement this response.

Question 26—Has any of the property listed in Part 5 been appraised by a professional in the last year?

While the Debtor does not believe any specific property in Part 5 was appraised by a professional in the last year, the Debtor was in process of going public and had discussions with multiple advisors as to the value of its assets and enterprise as a whole.

Since the Debtor filed its voluntary petition for relief under Chapter 7, the Debtor has issued or will issue subpoenas to the former members of WPI's Board for information related to and necessary for a complete and accurate depiction of the Debtor's finances and value of any property of or related to the Debtor.

Part 10—Intangibles and Intellectual Property

Questions 59–65—Does the Debtor have any interests in intangibles or intellectual property?

The Debtor owned a variety of intellectual property, including, without limitation, software, software assets, trademarks, domain names, copyrights, and other intellectual property. On or about January 5, 2023, the Debtor's Intellectual Property was purportedly foreclosed upon by OnPoint Companies, LLC as the Collateral Agent for the Secured Noteholders. A full and complete list of the Software and related intellectual property subject to this foreclosure is not available at this time. However, the Debtor is attaching hereto (i) a list of certain Trademarks and Copyrights held or previously held by the Debtor and; (ii) a list of Domain Names held or previously held by the Debtor. If and when the Debtor obtains more detail and information related to its intellectual property and the intellectual property purportedly subject to the foreclosure, the Debtor will amend and/or supplement this response.

Since the Debtor filed its voluntary petition for relief under Chapter 7, the Debtor has issued or will issue subpoenas to the former members of WPI's Board for information related to and necessary for a complete and accurate depiction of the Debtor's finances and value of any property of or related to the Debtor.

Question 69—Has any of the property listed in Part 10 been appraised by a professional in the last year?

As of the Petition Date, the Debtor is unaware as to whether a formal appraisal was conducted specifically as it relates solely to the intellectual property and other intangibles owned by the Debtor. However, in 2022, the Debtor was in process of going public and had discussions with multiple advisors as to the value of the Debtor's assets and its enterprise as a whole, including its intellectual property. In connection with such discussions and in preparing to go public, the Debtor was presented with a tentative valuation of \$1.7 billion. The Debtor believes that its intellectual property was a significant and integral part of that valuation. The Debtor's investigation as to its intellectual property and its valuation remains ongoing. If and when the Debtor obtains more information as to the value of its intellectual property and other intangibles, it will amend and/or supplement this response.

Since the Debtor filed its voluntary petition for relief under Chapter 7, the Debtor has issued or will issue subpoenas to the former members of WPI's Board for information related to and necessary for a complete and accurate depiction of the Debtor's finances and value of any property of or related to the Debtor.

II. List of Potential Causes of Action Against Third Parties

The Debtor possesses a number of significant and valuable causes of action against third parties. These causes of action include, but are not necessarily limited to, causes of action against the following persons and entities:

1. **OnPoint Companies, LLC as the Collateral Agent (the "Collateral Agent") of the Secured Noteholders.** The Debtor has potential claims against the Collateral Agent relating to and/or arising out of the alleged partial foreclosure of the Debtor's Intellectual Property that purportedly occurred on or about January 5, 2023. Such causes of action may include, but are not limited to, claims related to the commercially unreasonable foreclosure sale, lack of reasonable and/or proper valuation of the Collateral, other claims arising out of the Uniform Commercial Code, breach of contract, preferential transfer of property, and fraudulent transfers.
2. **Hunter Bywaters and Bywaters Consulting.** The Debtor has potential claims against Hunter Bywaters related to his role as a director for the Debtor and in connection with his purported consent to the Collateral Agent's alleged foreclosure of the Debtor's intellectual property that occurred on or about January 5, 2023. Such causes of action related to this improper conduct include, but are not necessarily limited to, breaches of employment and confidentiality agreements, breach of fiduciary duty, tortious

interference with existing and prospective contracts, preferential transfer of property, fraudulent transfer, and other causes of action arising under state and federal law.

3. **Unqork, Inc.** The Debtor has potential claims against Unqork related to professional services rendered by Unqork on the Debtor's behalf. Such claims may include, but are not necessarily limited to, breach of contract, right of setoff and/or recoupment, and other claims existing under state or federal law.
4. **KPMG.** The Debtor has potential claims against KPMG related to professional services rendered by KPMG on the Debtor's behalf. Such claims may include, but are not necessarily limited to, breach of contract, right of setoff and/or recoupment, and other claims existing under state or federal law.

Since the Debtor filed its voluntary petition for relief under Chapter 7, the Debtor has issued or will issue subpoenas to the former members of WPI's Board for information related to and necessary for a complete and accurate depiction of the Debtor's finances and any other potential litigation the Debtor could be or will be involved in.

Reservation of Rights

Despite its reasonable efforts to identify all known assets, the Debtor may not have listed all of its causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under the provisions of chapter 5 of the Bankruptcy Code and any relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtor reserves all of its rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-claim, counter-claim, credits, or recoupment and any claim on contracts or leases or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law (collectively, "**Causes of Action**") it may have, and these Schedules and Statements shall not be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action by the Debtor and its estate.

Question 79—Has any of the property listed in Part 11 been appraised by a professional in the last year?

As of the Petition Date, the Debtor does not believe a formal appraisal has been done as to any of the property listed in Part 11. However, in 2022, the Debtor was in process of going public and had discussions with multiple advisors as to the value of the Debtor's assets and its enterprise as a whole. In connection with such discussions and in preparing to go public, the Debtor was presented with a tentative valuation of \$1.7 billion. The Debtor believes that certain individuals and/or entities caused significant damage to the Debtor as it relates to this process and otherwise in connection with its business. Prepetition, the Debtor commenced litigation against four former directors, officers, and/or employees of the Debtor in which the Debtor has asserted claims for, *inter alia*, breach of confidentiality and proprietary rights agreement, breach of antidisparagement

clause, tortious interference, fraud, and breach of fiduciary duty. The Debtor believes that the actions of these individuals caused the Debtor and its business significant and irreparable harm, entitling the Debtor to monetary damages well in excess of \$100 million. In addition, the Debtor possesses certain potential causes of action against individuals and entities that have not been filed. The Debtor believes that these causes of action may ultimately provide a significant return for the estate and its creditors. The Debtor's investigation as to its current and potential litigation claims remains ongoing. If and when the Debtor obtains more information relevant to this question, it will amend and/or supplement this response.

Since the Debtor filed its voluntary petition for relief under Chapter 7, the Debtor has issued or will issue subpoenas to the former members of WPI's Board for information related to and necessary for a complete and accurate depiction of the Debtor's finances and value of any property of or related to the Debtor.

Form 206D: Creditors who have Secured Claims

On Schedule D, the Debtor has listed a disputed claim asserted by OnPoint Companies, LLC as the Collateral Agent (the "**Collateral Agent**") for the Secured Noteholders. The Collateral subject to the alleged security interest of the Collateral Agent is specifically described in the Collateral Agreement. The individual noteholders are listed separately as parties to be notified related to this debt.

Form 206E/F: Creditors who have Unsecured Claims

Part 1—List all Creditors with Priority Unsecured Claims

Upon information and belief and the information available to the Debtor as of the Petition Date, the Debtor does not believe it owes employee wages subject to a priority expense. The Debtor is working to confirm this and whether any other priority claims may exist. To the extent this list contains inaccuracies, the Debtor will amend and/or supplement this response.

Part 2—List all Creditors with Nonpriority Unsecured Claims

Upon information and belief and the information available to the Debtor as of the Petition Date, the Debtor believes that this is an accurate list of the nonpriority unsecured claims held against the Debtor. To the extent this list contains inaccuracies, the Debtor will amend and/or supplement this response.

Since the Debtor filed its voluntary petition for relief under Chapter 7, the Debtor has issued or will issue subpoenas to the former members of WPI's Board and Origin Bank for information related to and necessary for a complete and accurate depiction of the Debtor's finances and any relevant information related to any other unsecured claims that may be asserted against the Debtor.

Upon the commencement of this case, the Debtor obtained a bank record from Origin Bank unrelated to the subpoena that the Debtor issued to Origin Bank. Accordingly, the bank record contained information relating the payment of a certain, potential vendors.

Form 206G: Executory Contracts and Unexpired Leases

The Debtor believes it has a voluminous list of contracts with vendors and other parties spread across the Debtor and its subsidiaries. Many of these contracts were transferred to the Debtor and/or its subsidiaries from certain affiliated entities. The Debtor is in process of identifying these contracts and will amend and/or supplement Schedule G if and when it assembles such information. Any such amendment or supplement will be provided as soon as possible to the Bankruptcy Court, the Trustee, creditors, and other parties in interest.

Since the Debtor filed its voluntary petition for relief under Chapter 7, the Debtor has issued or will issue subpoenas to the former members of WPI's Board for information related to and necessary for a complete and accurate depiction of the Debtor's finances and any relevant information related to any executory contracts or unexpired leases.

Upon the commencement of this case, the Debtor obtained a bank record from Origin Bank unrelated to the subpoena that the Debtor issued to Origin Bank. Accordingly, the bank record contained information relating to the payment of a certain, potential vendor. As a result, it is possible that the Debtor may be a party to another executory contract.

Form 206H: Your Codebtors

Upon information and belief and the information available to the Debtor as of the Petition Date, the Debtor's records indicate that there are, or may be, voluminous amounts of possible codebtors. The Debtor will amend and/or supplement Schedule H if and when it assembles such information. Any such amendment or supplement will be provided as soon as possible to the Bankruptcy Court, the Trustee, creditors, and other parties in interest.

Since the Debtor filed its voluntary petition for relief under Chapter 7, the Debtor has issued or will issue subpoenas to the former members of WPI's Board for information related to and necessary for a complete and accurate depiction of the Debtor's finances and any relevant information related to any codebtors.

Reservation of Rights

Although the Debtor's management team has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to the Schedules and Statements, and inadvertent errors or omissions may have occurred, some of which may be material. Because the Schedules and Statements contain unaudited information, which remains subject to further review, verification and potential adjustment, there can be no assurance that the Schedules and Statements are complete and accurate. The Debtor reserves all rights to amend the Schedules and Statements from time to time, in any and all respects, as may be necessary or appropriate.
